New York, all within a few days, made feast, the aspect of the poor is the decision to submit his views on the recent English flurry, and not to take part in any official correspondence relating to it. He decision to the washington to submit his views on the recent English flurry, and not to take part in any official form as chocomate. It was found, sherman and a party of American residue to submit his views on the recent English flurry, and not to take part in any official form as chocomate. It was found, sherman and a not prove a failure, and that all the questions arising under it will be dis-posed of by the Geneva arbitration according to the evidence and the rules defined for their guide in said treaty. He confirms the previous advices of the department, that the tone of the English press goes farther than the temper of the English ministry, who are not inclined to sustain a war feeling or any steps that would embitter the relation of the two countries. Mr. Adams is not prepared to express any opinion on the American case as submitted, tor the very politic reason that he will soon be called to sit as a jurist and publicist upon it.

A DOUBLE TRAGEDY.

Particulars of the Killing of Holcomb and Chun of Alabama From the Nashville Banner] The bloody affair which occurred at Columbia about sunset, Thursday, originated from a lawsuit. Hal, Holcomb had brought suit upon a garnishment to recover a certain amount of money from H. T. Chun, through William P. Holcomb, his former partner in business. It is alleged that during the investigation of the case,

quently remarked that his uncle had munched a ring and of melon. We gave of the Prussian royal family are invesworn falsely in giving such testinony. On being told of the remark the elder Holcomb became greatly enraged at his nephew, armed himself with a Smith & Wesson revolver and sought the nephew out, with the avowed determination of killing him.

They met near Chur's salon when They met near Chun's saloon, when were burned, tanned by the sun; the the former commenced firing upon the latter. The uncle had fired two shots, as if she had been struck by a boot; when the nephew, seeing that his relative was bent on taking his life, lar, were grown wild and stunted. drew his revolver and shot him thrice in the breast. The elder Holcomb grinds here, beneath its steel coaring fell to the ground and was carried into the lowest human stratum. Chun's saloon where he expired in

twenty minutes. A large crowd had been attracted to the scene and many of the spectators were about to enter the saloon, but Chun locked the door in their faces open air in small lots. Good humor and refused to allow any one ingress. He subsequently reappeared about the door, which he had unlocked, and amused himself with whisking a large a gentleman, two ladies and a child. In the gentleman had employed and spectators to be comfortable. They, esived two balls, both ressing through his heart and killing him instantly. Aydelotte had fired one and some un known person the other. We under-

CARNIVAL.

MEMPHIS, TENN., MONDAY, FEBRUARY 26, 1872.

Races at Epsom—it is the Derby ay, a day of amusement; parliament and it is time the judges and prose-cuting attorneys show good citizens that no compounding will be made to cheat justice. The time has some that no compounding will be made to cheat justice. The time has come when courts are held in contempt, and some of our citizens rush to mob-law for security. So long as I am on this bench it shall be the purpose of the court to protect society and show that they shall be visited with speedy and even-handed justice. I therefore insist upon placing the prosecuting witness under heavy honds to appear against the prisoner. Eisner being was recently held in Dy-ers. We start from Waterloo station. The sky is cloudless, free from mist; my English neighbors remark that they have never seen such a day in London. All around may be witnessed green husbandry, meadows encompassed with hedges, and the hedge row is often interspersed with trees. The splendor of this green, the mass, the vigor of lustrous, golden, bursting flowers, are extraordinary. Velvets constellated with diamonds, watered silks, the most magnificent, in the proposed requesting Mr. Caldwell, representative to congress from that district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply for a part of the fund district, to apply fo watered silks, the most magnificent, embroideries do not match this deep tinued and the prisoner remanded to hue; the color is excessive, beyond the reach of painting; but never have the blossoming of plants, the luxury and joy of the adorned earth, dazzled me
